**Sunday** must test at a Police Department by 9:30 A.M.

\*You must be in one hour **before** our office closes. You will be provided one opportunity to provide a specimen **no later** than ½ hour before our office closes\*

## Introduction

Waukesha County implemented the Drug Treatment Court (DTC) Program in 2012 to address the increasing opiate and other drug abuse issues within the County. The mission of the DTC is to advance public safety, reduce crime, reduce costs to our community, and improve individual and community health by providing intensive, integrated, evidence-based court supervision and comprehensive treatment services for drug dependent offenders. There are 25 active drug courts in Wisconsin and the Waukesha program is the first to focus solely on alcohol as the drug of choice. Waukesha County implemented the first Alcohol Treatment Court in the state of Wisconsin, and the DTC follows the same ten key components, established by the National Association of Drug Court Professionals, (NADCP).

The Waukesha County Drug Treatment Court offers its participants the opportunity to break the cycle of addiction, to improve their chance of a sober, crime free and healthy life, as well as to contribute to a safe community while under strict judicial and community supervision.

This program's multifaceted approach utilizes a team concept made up of the Judge, DTC Case Manager, DTC Supervisor, Defense Attorney, District Attorney, Department of Corrections, law enforcement and treatment professionals. It is a five-phase program and the intensity of services decrease as participant's progress through the program.

In each phase, participants must comply with routine court appearances, case management appointments – including office and home visits, treatment requirements and random alcohol and drug testing. Intensive case management is a critical component to provide support and monitoring, assisting participants in reaching their goals.

Treatment for participants consists of: assessment and treatment planning, individual and/or group counseling for substance use and other issues, regular attendance at community self-help support meetings, and assistance with meeting individual participant needs, such as; education, life skills, parenting, financial and employment issues.

Positive reinforcement is provided for compliance in the program. Sanctions and therapeutic interventions will be imposed in response to non-compliance.

The average length of stay in the program is dependant on each participant's progress as they move through the five phases. Graduation **may** occur within fourteen months, but it could take longer based on the participant's treatment needs and compliance with program requirements.

Participation in the program may require fees for drug testing if confirmation testing is required and for SCRAMx/GPS if this is imposed as a program sanction. Failure to comply with the any program fees may result in a sanction and/or a referral to Waukesha County Collections.

# WAUKESHA COUNTY DRUG TREATMENT COURT TEAM MEMBERS

The team consists of the Judge, the Drug Treatment Court Supervisor, Case Manager, Assistant District Attorneys, Defense Attorney, Department of Corrections, Sheriff's Department and treatment provider. Prior to weekly court sessions, the team reviews the progress of those participants scheduled to appear in court that week. WCS prepares staffing reports detailing the progress of participants in the program. The team operates on the basis of reaching a professional consensus whenever possible. In the event a consensus cannot be reached, the Judge has the final decision making authority on case management issues.

## **CASE MANAGER**

The case manager's role is to oversee the participant's recovery and treatment program, and is the link between the Court, the participant, and the treatment provider.

The case manager is responsible for:

- assessing potential participants for eligibility in the program
- monitoring and encouraging participants during their program
- maintaining participant information
- providing the Court with current information about client progress
- recommending treatment changes to the Court

The case manager also has specific responsibilities in the following areas:

- a. **Drug Treatment Court Team Staffings:** The case manager is a member of the Drug Treatment Court Team and is responsible for the preparation of cases for review at the team staffings. In addition, the case manager may, at anytime, provide information concerning any participant to the Drug Treatment Court Judge on a formal or informal basis; provided the necessary waivers have been signed by the participant and the content of the communication is made known to the participant.
- b. **Referrals:** The case manager refers Drug Treatment Court participants to providers for substance abuse treatment and other services, as determined in the case plan developed by the case manager and approved by the Court. The case manager maintains close contact with the treatment provider and monitors the services received by the participant.
- c. **Case Management:** The case manager periodically assesses the progress of each participant and the participant's adherence to the requirements of the Drug Treatment Court and the participant's approved case plan. They update the case plan as needed and make recommendations to the Court for appropriate changes.
- d. **Other Direct Client Services:** The case manager ensures participants are linked to services within Waukesha County on an as-needed basis, including: family counseling, education, group counseling and other activities as may be reasonably appropriate to maintain a client in the Drug Treatment Court Program.

- e. **Participant Documentation:** The case manager maintains a written record on each participant.

### **DEFENSE ATTORNEY**

A lawyer from the State Public Defender will attend any and all treatment court staffings that occur prior to each treatment court session, as well as the court sessions. These attorneys are team members and do not represent you individually unless they were your attorney before coming into treatment court. You are entitled to have your own attorney present at staffings and court, though most people do not. You are encouraged to have a lawyer present if you choose to contest a sanction, or the State moves for an order to show cause or discharge hearing. If you don't have one, you can retain counsel of your choice or obtain an attorney through the State Public Defender.

### **DISTRICT ATTORNEY**

A representative of the District Attorney's Office may attend all court staffings and treatment court sessions. The District Attorney also makes the initial eligibility determination of each participant.

### **TREATMENT PROVIDERS**

The treatment providers have the primary responsibility for educating the participants and helping them deal with their substance abuse issues. They are responsible for ensuring that each participant is provided the treatment that he or she needs.

### **DEPARTMENT OF CORRECTIONS**

A representative from Department of Corrections who supervises participants, attends the team staffing, providing updates on the participants' progress and compliance with their supervision.

### **SHERIFF'S DEPARTMENT**

A representative from the Sheriff's Department may attend all court staffings and treatment court sessions. They are the liaison between law enforcement and the treatment court team.

### **THE JUDGE**

The Judge plays a continuous role in reviewing treatment progress. The Judge responds to each participant's positive efforts and noncompliant behavior.

- a. The Judge presides over the Drug Treatment Court sessions and staffings.
- b. The Judge meets weekly with the Drug Treatment Court Team and is actively involved in determining appropriate sanctions and incentives.

**PHASE 1  
CLINICAL STABILIZATION**

Court weekly  
Treatment assessment at HHS and comply  
with recommendation  
Assess for MAT  
Comply with supervision  
Develop case plan  
Weekly WCS office visit  
Regular alcohol AND drug testing  
Address housing and transportation  
Provide completed medication verification  
forms  
Attend one DTC Alumni Meeting and one  
self-help meeting  
Develop a relationship with assigned mentor

# 60 Days

**(Minimum)**

**In Order to Advance:**

Regular attendance at  
treatment & office visits

Complete safety review

***BEING HONEST***

Sober/Clean time-minimum of 14  
consecutive days

Safety review of home, car, phone, etc. with a  
sponsor/mentor and provide verification  
Assess for GPS/curfew

**PHASE 2  
ACUTE STABILIZATION**

Court every two weeks  
Comply with treatment & supervision  
Continue changing people, places & things  
Review case plan  
Weekly office visit  
Regular alcohol AND drug testing  
Rough Draft Autobiography  
Following completion of treatment, begin to  
focus on two self-help meetings per week  
Obtain sponsor/support person  
Continue to address transportation and  
housing  
Address finances (budget/payment plan)

# 90 Days

**(Minimum)**

**In Order to Advance:**

Compliance with  
Treatment/meetings  
and Supervision

Obtain sponsor/support person  
Rough Draft Autobiography

Sober/clean time-minimum of 30  
consecutive days

Attend one DTC Alumni Meeting monthly  
Work toward employment or some other  
approved community activity

**PHASE 3  
PRO-SOCIAL HABILITATION**

Court monthly (every 4 weeks)  
Comply with treatment & supervision  
Continue changing people, places & things  
Three self-help meetings weekly  
Establish pro-social activities  
Review case plan  
Two office visits monthly  
Regular alcohol AND drug testing  
Establish recovery network  
Maintain weekly contact with  
sponsor/support person  
Autobiography  
Establish consistent payment of program fees  
(revisit payment plan)  
Attend one DTC Alumni Meeting monthly  
Work toward employment or some other  
approved community activity

# 90 Days

**(Minimum)**

**In Order to Advance:**

Compliance with Treatment/meetings  
and Supervision  
Create recovery & support  
Network  
Autobiography  
One sober social event (while in  
program)  
Sober/clean time-minimum of  
45 consecutive days

**PHASE 4  
ADAPTIVE HABILITATION**

Court monthly (every 4 weeks)  
Comply with treatment & supervision  
Continue changing people, places & things  
Review case plan  
Two offices visits monthly  
Two self-help meetings per week  
Maintain weekly contact with  
sponsor/support person  
Regular alcohol AND drug testing  
Maintain pro-social activities & recovery  
network  
Attend one DTC Alumni Meeting monthly  
Work toward employment or some other  
approved  
community activity

# 90 Days

**(Minimum)**

**In Order to Advance:**

Compliance with  
Treatment/meetings & Supervision  
Maintain recovery support network  
Sober/clean time-minimum of 60  
consecutive days

**PHASE 5  
CONTINUING CARE**

Court monthly (every 4 weeks)  
Comply with treatment & supervision  
Continue changing people, places & things  
Review case plan  
Monthly office visit  
Two self-help meetings per week  
Maintain weekly contact with sponsor/support person  
Regular alcohol AND drug testing  
Develop continuing care plan  
Maintain pro-social activities & recovery network  
Attend one DTC Alumni Meeting monthly  
Work toward employment or some other approved community activity  
Develop Relapse Prevention Plan/Post graduation Plan within first 30 days

# 90 Days

(Minimum)

## **In Order to Graduate:**

Compliance with  
Treatment/meetings & Supervision  
Maintain recovery network  
Finalize/demonstrate Relapse  
Prevention Plan  
Pay all program fees (one week prior  
to graduation)  
Sober/clean time-minimum of 90  
consecutive days

Essay/Application on why they are an appropriate candidate for graduation

## Waukesha County Drug Treatment Court Phase I Contract

In addition to the rules listed previously, you will also be required to:

1. Report to your case manager's office in person, at least once per week, and/or as directed by your case manager.
2. Schedule and attend an assessment at HHS within 5 business days of intake, follow through with all recommendations and sign up for the first available program.
3. Get assessed for Medication Assisted Treatment (MAT) at HHS.
4. Submit to random urinalysis and/or breath tests at least three times per week, or as directed by your case manager and/or treatment provider. (See page 21 for the procedure)
5. Attend Drug Treatment Court weekly, or as directed by your case manager. (Please dress appropriately!!)
6. Attend at least one self-help support meeting and provide written verification, as directed by the case manager. (See page 28)
7. Attend **one** DTC Alumni meeting.
8. Develop a relationship with an assigned mentor.
9. Perform a safety review of home, car, phone, etc with a sponsor/mentor and provide verification.
10. Provide completed medication verification form. (See page 27)
11. Participant must stay current with financial obligations, including but not limited to: all court costs, and program fees that apply.

I understand and agree to abide by all conditions and rules of the Phase I Contract. Any violation of these conditions may result in sanctions, incarceration, or expulsion from the program. In order to advance to Phase II, you must have 14 days of consecutive sober/clean time.

I understand that I will follow all conditions outlined in my signed Drug Treatment Court Diversion Contract with the Court.

# COMMENCEMENT REQUIREMENTS

Participants will graduate from the program if the following requirements are met:

1. **NO positive urinalyses and/or breath tests within three months of commencement.**
  - If the participant has a positive urinalysis and/or breathe test within three months of anticipated graduation date, contract will be extended three months from the date of positive urinalysis and/or breath test. Participant must have three months of sobriety in order to graduate.
2. **NO missed urinalysis and/or breath test in Phase V.**
  - First and second missed urinalysis and/or breath in Phase V will restart the phase. Any subsequent missed urinalyses and/or breath test in Phase V will restart the phase and lead to a discharge hearing.
3. **NO missed court dates, treatment sessions, or case management appointments in Phase V.**
  - The Court reserves discretion to deny graduation and extend the contract if a miss occurs in Phase V.
4. **Complete all five phases of the program, and approval of the Drug Court Judge.**
5. **Completion of an aftercare plan with the case manager.**
6. **Pay all financial obligations associated with the offenses**
  - i.e.: SCRAM or drug testing fees, fines, court costs, attorney fees, Huber fees, and treatment and assessment costs.
7. **Upon graduation, prior participants who have not been sentenced may be subject to continued supervision and drug testing through the WCS Pretrial Supervision Program, as requested by the DTC Judge and team.**

VIOLATIONS	Additional Phase Time	
	1 <sup>st</sup> violation	2 <sup>nd</sup> violation
Self-help slip violation	Add 2 weeks	Restart
Missed self-help meeting	Add 4 weeks	Restart
Late Appointment	Add 4 weeks	Restart
Late Drug Screen	Add 4 weeks	Restart
Refusal/diluted	Add 4 weeks	Restart
Missed Appointment	Restart	
Missed Test	Restart	
Alcohol or Drug Use	Restart	
Dishonesty	Restart	

**\*\*\*The court is not bound by this Matrix\*\*\***

# YOUR CASE MANAGER NEEDS TO KNOW

1. **Alcohol or Drug Use:** *Any* use of drugs or alcohol needs to be self-reported to your case manager.
2. **Criminal Behavior:** *Any* police contact, including traffic stops, needs to be reported to your case manager.
3. **Employment:** *Any* change of employment status needs to be reported to your case manager.
4. **Money Management:** *Any* debt, fines, court costs (i.e. SCRAM, restitution, child support, probation supervision fees, etc) or other financial problems need to be reported to your case manager.
5. **Personal Relationships:** *Any* relationship issues that may affect treatment need to be discussed with your case manager.
6. **Health:** *Any* physical health or mental health issues that may affect treatment need to be discussed with your case manager.
7. **Prescription Medications:** *Any* medications prescribed for you must be reported to your case manager for verification. You need to report when you are prescribed a new medication, when you get your prescriptions refilled and when you stop taking a medication. Any over-the-counter medications must also be reported to your case manager.
8. **Residency:** *Any* change in address, phone number (change or disconnection) or living arrangements; including roommates; needs to be reported to your case manager.

# Waukesha County Drug Treatment Court Rules

1. Do not possess or consume any alcohol or drugs. This includes “non-alcoholic” beer, foods cooked with alcohol, CBD Oils, and drugs not prescribed to you.
2. NO driving/operating any vehicle without a valid driver’s license.
3. You shall not enter or frequent any establishment where the primary function is the sale of alcohol, including bars, taverns and liquor stores without prior consent.
4. Meet with your case manager as directed, and attend all scheduled court sessions.
5. Your case manager can request an immediate urinalysis/breathalyzer at anytime and reserves the right to conduct a scheduled or unscheduled home visit at anytime.
6. Comply with all treatment requirements; including any aftercare recommendations and weekly attendance at self-help meetings. Must attend **one** DTC/HHS Alumni meeting per month.
7. NO use of any medications containing alcohol (i.e. Nyquil and cough medications) or any mouthwashes containing alcohol (i.e. Listerine). Make sure to read labels prior to use. It is your responsibility to be certain that the products you are using do not contain alcohol. Ignorance is not an excuse.
8. Report ALL medications you use to your case manager (including over-the-counter products). You need to report when you are prescribed a new medication, when you get your prescriptions refilled and when you stop taking a medication. You must provide the actual prescription bottle for verification and sign releases for your case manager to contact your prescribing physicians and dentists.
9. Report police contact of **any** sort and follow all probation/parole rules if applicable.
10. Submit work information to be verified by case manager.
11. Comply with all sanctions as a result of noncompliance in the program.
12. Seek permission of the Drug Treatment Court Team prior to making plans to leave town.
13. Comply with the Drug/Alcohol Testing Rules and Procedures.
14. Participants must hold or obtain full-time employment, and/or be enrolled in full or part-time school.
15. Participant must stay current with financial obligations, including but not limited to: SCRAM or drug testing fees when applicable, any fines or court costs, and assessment and treatment fees.
16. You shall have no contact with other members of drug court unless it is in a treatment setting.

# Drug/Alcohol Testing Rules and Procedure

While you are in the program, you will be assigned various colors that will tell you when to report for testing. Listed below are instructions for urinalysis (UA) collection and Preliminary Breath Tests (PBT). Through cooperation with this program, you can help yourself by proving that you are drug and alcohol free.

## Procedure:

1. You are assigned an ID # by your case manager.
2. Call the testing line, **(414) 921-0409 & (866) 207-2911**, each day after **4:00 A.M.** to find out if you are required to report for testing.
3. If you hear “You are required to test today”, report to WCS between 7:00 A.M. and 4:59 P.M Monday through Thursday.
  - FRIDAYS 7:00 A.M. to 2:59 P.M.
  - SATURDAYS 7:00 A.M. to 9:29 A.M.

\*\*\*You must be in one hour **before** our office closes. You will be provided one opportunity to provide a specimen **no later** than ½ hour before our office closes\*\*\*

4. If you hear “Do not test today”, you do not need to report for testing.
5. Follow the same procedure daily.

## Rules:

1. You may be called upon to submit to a PBT or UA at anytime, 24 hours a day, seven days a week.
2. PBT’s will be conducted each time you are in the office. Your case manager will not test you unless your mouth is empty. If you have gum, cough drops, chewing tobacco, etc., you will be instructed to wait 10 minutes before testing.
3. Be prepared to provide a urine specimen **EVERY** time you come to the office.
4. **DO NOT** use Nyquil, Listerine, or any other products containing alcohol. Use of such products may result in a positive PBT. This **WILL BE** deemed a failed test.

**Positive Drug Tests:** WCS offers the opportunity for participants to challenge the results of positive drug tests through a confirmation process. WCS adheres to strict chain of custody protocols to ensure the integrity of all samples collected and sent out for further testing. *The cost of the confirmation test is borne by the participant.*

**Tampering with Drug-Testing:** Tampering with urine or interfering with drug testing, including ingesting substances in an attempt to alter the result, putting something in the urine, providing a sample that is not urine or not from the person being tested or in any other manner is a very serious violation. A diluted or altered specimen will be considered a positive test. Success in the Drug Treatment Court Program depends on a relationship of trust among staff and participants, and participants are expected to

be honest and truthful in their interactions with DTC personnel. Therefore; tampering offenses may result in termination from the program.

## PARTICIPANT ACKNOWLEDGEMENT OF the DRUG TESTING COLLECTION PROTOCOL

The reliability of drug testing is dependant on the integrity and accuracy of the collection process along with the chain of custody of the sample. Staff realizes that drug testing can be an invasive procedure. However, strict adherence to the following collection protocol will ensure reliability and validity of all drug test results.

### Participant Preparation for Urine Testing

1. Upon admission to the program, case managers will review the drug testing collection protocol with the participant and provide the participant with a copy.
2. Upon admission to the program, participants will be provided with a list of over-the-counter medications and foods they **MUST** avoid while in drug testing (attached).
3. Because selection for testing is done on a random basis, **ALL program participants MUST appear in the office ready to provide a urine sample for testing.**
  - a. Participants who cannot provide a sample on the first attempt will wait in a designated area where they must be observed for 15 minutes before being tested again. If the participant cannot produce a sample within 15 minutes, the test will be reported as a refusal.
  - b. Children are not to be present during the drug testing process.**
4. **All drug testing will take place first**, followed by the supervision appointment with the participant's case manager. The case manager will review the results of the drug test at the supervision appointment after the drug testing process is complete and the participant is escorted back to the office by the case manager.
5. "Shy Bladder" procedure. If a participant cannot provide a sample, they will only be allowed one additional opportunity to give a sample and this will be no more than 15 minutes after their first attempt. The participant must remain in sight of the designated WCS staff assigned to observe the waiting area until they are called again to test. **THEY WILL NOT BE ALLOWED TO LEAVE AND RETURN TO PROVIDE A SAMPLE, and all consumption of fluids will be strictly monitored. Participants are not allowed to leave to go to their car, get a drink, smoke, or for any other reason.** If the participant leaves the drug testing designated waiting area for any reason before providing a sample, a "Refusal" will be documented and reported to the Court. **NO EXCEPTIONS!**

### Sample Collection

1. The case manager will prepare for drug testing, securing the proper forms and labels. The case manager will ask the participant if s/he is taking **any prescription medication**. This will be noted in the hard file, and all **prescriptions must be verified**.
2. The case manager will ask the participant if they are ready to provide a specimen and will escort the participant to the designated bathroom, while maintaining all drug testing documents in their possession.
3. Staff collecting the sample will verify the identity of the person to be tested by asking their name and date of birth. **Participants MUST match the photograph in the participant's file.**
4. Collection staff will enter the collection date, specimen number, last name, first name and date of birth of the participant on the "Drug Testing Collection Log".
5. Participants will be required to remove **ALL extra layers of clothing down to one layer of clothing**, including: coats, jackets, hooded sweatshirts or large pocket clothing items prior to testing.
6. Participants will empty ALL pockets, and place all items in a storage tray (any money will remain in possession of the participant) until the testing process is complete.

7. The participant will thoroughly rinse and dry their hands **immediately** prior to testing. **This activity will be observed by collection staff.**
8. Collection staff will secure and wear gloves at this time and ensure that the toilet has been flushed prior to sample collection.
9. Collection staff will ask the participant to inspect the package to make sure it is sealed.
10. The collection staff will direct the participant to provide a urine sample, filling the testing cup to the minimum fill line (as marked on the test cup).

**\*\*Collection staff will ensure the collection of an unadulterated sample by monitoring the collection of the specimen.**

**\*\* There will be no talking during the collection of the specimen!**

11. Upon completion of providing the sample, the participant will **hand the testing cup to the collection staff** to place the container lid securely on the cup.
12. The collection staff will verify the temperature of the sample by inspecting the temperature strip on the testing cup to ensure the validity of the sample.
13. The participant will be instructed to dress, flush the toilet and wash their hands.
14. The collection staff will activate the test, and secure the sample by placing the key in the cup lid and placing a green drug testing sticker over the lid and key down the side of the cup **in the presence of the participant.**
15. The date and the offender ID number will be documented on the testing cup with a Sharpie marker. Collection staff will ask the participant to verify all information documented on the cup label to ensure its legibility.
16. Participants will be asked to wait in the designated area for release to their case manager to return to the program office for the supervision appointment.
17. If collection staff believes an adulterated sample has been submitted, the participant will be required to submit a new sample.
18. If the specimen is diluted, the test will be reported as such. Due to the COVID-19 pandemic, WCS does not currently have the capacity to allow participants to wait in the building long enough for them to be able to provide a non-diluted sample.
19. All positive specimens will be placed in a secure (locked) container and collected for transport to the secure storage site on a frequent basis. **All positive samples will be stored in the designated, locked refrigerator on-site at the Waukesha office for 10 days.**
20. After the testing process is completed, the participant **MUST** wait to meet with their case manager.

### **Challenges to Accuracy of Test Results**

1. Under **no circumstance** will a participant be allowed to submit a “new” specimen based on a claim of lab error. If a participant wishes to challenge the accuracy of a test result, **the challenge MUST be made within 24 hours of the participant receiving notice of the positive result.**

2. When a test is positive and participants have presented verified prescriptions, the only way WCS can verify the positive result is due to a prescription is through a confirmation test. If a participant declines a confirmation test, the result is reported as positive and details the verified prescription(s).
3. The participant is responsible for informing their attorney of their intent to challenge the drug test result.
4. The participant and/or their attorney must notify the assigned case manager if a confirmation test is being requested within 24 hours of the positive result. The case manager will then notify the WCS Drug Testing Lab of the challenge and request for confirmation.
5. The participant will be responsible for **pre-paying for the confirmation test (\$31/test) and that fee MUST be paid within 48 hours of the positive test.**

<p><b>OVER-THE-COUNTER MEDICATIONS AND FOODS TO AVOID WHILE BEING URINE/BREATH/SCRAM TESTED</b></p>
---

**It is the participant's responsibility to limit exposure to the below list of products. It is the participant's responsibility to read labels or inquire of a pharmacist or assigned case manager before using/consuming the following products. Use of the products detailed below will NOT be allowed as an excuse for a positive drug, breathalyzer or SCRAM test. When in doubt, do not use or consume:**

1. **Cough and Other Liquid Medications:** Alcohol containing cough/cold syrups such as Nyquil. Other cough syrup brands containing ethyl alcohol. All prescription and over-the-counter medications must be reviewed with your case manager before use. Non-alcohol containing cough/cold remedies are readily available at most pharmacies and major retail stores.
2. **Non-Alcoholic Beer/Wine:** Although legally considered non-alcoholic, NA beers (Sharps, O'Doul's) contain a residual amount of alcohol that may result in a positive test result for alcohol, if consumed.
3. **Food and Other Ingestible Products:** There are numerous other consumable products that contain ethyl alcohol. Flavoring extracts such as vanilla or almond extract, and liquid herbal extracts (such as Ginkgo Biloba), could result in a positive screen for alcohol or its breakdown products. Energy drinks, Communion wine, food cooked with wine and flambé dishes (alcohol poured over a food and ignited such as cherries jubilee, baked Alaska) must be avoided.
4. **Mouthwash and Breath Strips:** Most mouthwashes (Listermint, Cepacol, etc.) and other breath cleansing products contain ethyl alcohol. The use of mouthwashes containing ethyl alcohol may produce a positive test result. Non-alcohol breath fresheners are readily available and are an acceptable alternative.
5. **Hygiene Products:** After shaves, colognes, hairsprays, mousse, astringents, bug sprays (Off) and some body washes contain ethyl alcohol. While it is unlikely that limited use of these products would result in a positive test for alcohol, excessive, unnecessary or repeated use of these products could affect test results. Participants must use these products sparingly to avoid reaching detection levels.
6. **Solvents and Lacquers:** Many solvents, lacquers and surface preparation products contain ethyl alcohol. Both excessive inhalation of vapors, and topical exposure to such products, can potentially cause a positive test result for alcohol. Frequency of use and duration of exposure to such products must be kept to a minimum. There are alternatives to nearly any item containing ethyl alcohol. A positive test result will not be excused by reference to use of an alcohol-based solvent. If a participant is employed where contact with such products cannot be avoided, this must be discussed with the case manager.

7. **Poppy Seeds:** It is possible to test positive for opiates after having consumed poppy seeds. Poppy seeds contain trace amounts of opium, which like heroin, is derived from the poppy plant. Research measuring the amount of seeds necessary to produce a positive result is varied. To avoid this issue, participants must avoid consuming poppy seeds.
8. **CBD Oil:** It is possible to test positive for marijuana after using CBD oil/products depending on the purity of the products. To avoid this issue, participants must refrain from using CBD oils and products.

**SECOND HAND MARIJUANA SMOKE**

In various studies on passive inhalation, positive results have occurred where individuals were exposed to the smoke of 4-16 marijuana cigarettes in an extremely small, sealed, unventilated area for one hour a day over the course of several days. The conditions were extremely uncomfortable, causing watering of the eyes and irritation to the mucous membrane of the nose and throat. The few positive test results were detected at the 20 ng/ml level which is the most sensitive testing level.

The only study where the results were detectable at the 50 or 100 ng/ml level were a product of hour long exposure in the above sealed conditions to 16 cigarettes over 6 consecutive days. It is highly unlikely that the extreme conditions necessary to produce ANY positive test (even at the lowest 20 ng/ml level) could be encountered in a real-life situation without, at least, the tacit consent of the participant. **Accordingly, it is the participant's responsibility to remove him/her self from that situation.**

**Participant Preparation for Saliva Testing**

The reliability of saliva drug testing is dependent on the integrity and accuracy of the collection process along with the chain of custody of the sample. Strict adherence to the following collection protocol will ensure reliability and validity of all drug test results. Saliva testing will be conducted on Saturdays only and is not permissible as an alternative to a urine test at any other time during your supervision.

1. No food or beverage, including water, will be allowed in the testing area.
2. You must wait a minimum of 15 minutes after the consumption of food or beverage before the saliva test is administered.
3. You must be tobacco free, including electronic cigarettes and chewing tobacco for a minimum of 15 minutes prior to testing.
4. There will be no talking during the *collection* process. You must stay in direct view of the case manager conducting the test until the sample is secured in the testing cup. If you leave during the testing process the test will be recorded as a refusal. Participants should expect the *complete* testing process to last approximately 15-20 minutes.
5. If you test positive for a substance, other than a substance you have a valid script for, you will be required to provide another specimen with a confirmation test swab.

I, \_\_\_\_\_ (FULL name) acknowledge that my case manager thoroughly reviewed the above procedures for drug testing. I understand and agree to comply with all above procedures as an active participant of the WCS Pretrial Program in accordance with my court ordered conditions of release. I understand that failing to sign this document will be reported to the Court.

Participant: \_\_\_\_\_ Date: \_\_\_\_\_

Witness (Case Manager): \_\_\_\_\_ Date: \_\_\_\_\_

## MISSED UA/PBT POLICY

I \_\_\_\_\_ understand that in order for my case managers to effectively monitor my sobriety, I must appear for all required screens including random calls, “ordered in” drug screen requests by my case managers, and Sunday PBTs at my local police department . If you should miss a test, the expectation is you should report the following business day before 9:30am for a drug screen. Should I miss more than three (unexcused) UAs or PBTs, I understand that my sobriety date will be reset.

## UA TAMPERING POLICY

Tampering with urine or interfering with drug testing, including ingesting substances in an attempt to alter the result, putting something in the urine, providing a sample that is not urine or not from the person being tested or in any other manner is a very serious violation.

I \_\_\_\_\_ understand that if am caught tampering with a drug screen, I am subject to AUTOMATIC discharge from the Drug Treatment Program.

### **Absences Policy:**

Only you, and NOT a family member, are required to call your case manager if you will be unable to attend your treatment sessions, meetings with your case manager, and/or court sessions. Any reasons for a missed appointment will be discussed with the Drug Treatment Court Team and, if deemed necessary, a sanction will be imposed. **You need to notify your case manager 24 hours in advance if you need to reschedule your appointment.** Failure to do so may also result in a sanction.

**WAUKESHA COUNTY DRUG COURT  
PRESCRIBED MEDICATION FORM**

I am a participant in the Waukesha County Drug Court Treatment Program. As such, I am in recovery and not permitted to use any controlled substances or alcohol, unless, medically, it is absolutely necessary that I do so pursuant to the orders of a physician. Before giving or prescribing me a controlled substance, please review and consider the following:

*Make every effort to treat me without giving or prescribing me a controlled substance. Should I be on such medication, my progress will be furloughed until I am free of any controlled substances. Please complete the form below for the court stating that I have disclosed my addiction problem.*

Patient Name: \_\_\_\_\_

Date of Visit: \_\_\_\_\_

Medication Prescribed: \_\_\_\_\_

Dosage and Frequency: \_\_\_\_\_

By completing and signing this form, I, the physician, acknowledge that the above patient is an active participant in the Waukesha County Drug Court and I am prescribing the above medication because it is medically necessary.

# Self-Help Support Meeting Rules

1. Attend the required self-help support meetings weekly (two to three times per week depending on current phase) throughout the entire program. You are encouraged to attend 12-step meetings, such as AA, NA, HA, MA or CA; however, you can also attend other self-help support meetings, such as SMART Recovery, Celebrate Recovery or SOS (Save Our Selves).
2. The required self-help meetings must occur on separate days of the week. You may attend more than one meeting in one day; however, these will not full-fill the required weekly self-help meeting requirements.
3. You must attend at least **one** DTC/HHS Alumni meeting per month. This may full-fill one of your weekly attendance requirements.
4. Fill out the self-help group attendance slips completely with the group name, location, date, time and secretary's name, signature and phone number. Also, include any contact you have had with your sponsor during that week. Your responses for categories 'How I was helped' and 'How I helped others' need to be a minimum of two sentences. Slips which are not filled out completely will not be accepted and will be given back to the participant to finish filling out.
5. **Slips are due by 11:59 P.M. each Monday.** Turn in your self-help group attendance slips on a weekly basis. Failure to turn in your self-help attendance slips on a weekly basis will likely result in a sanction.
6. You can turn slips in via the following methods:
  - In person at WCS
  - Fax to 262-544-9456
  - Email to [kgusse@wiscs.org](mailto:kgusse@wiscs.org), [cremus@wiscs.org](mailto:cremus@wiscs.org), [jrosenstock@wiscs.org](mailto:jrosenstock@wiscs.org) and [rgroer@wiscs.org](mailto:rgroer@wiscs.org)
  - (Please email **EVERY** case manager, not just one)
  - Mail to WCS Drug Treatment Court  
414 W. Moreland Blvd Room 200  
Waukesha, WI 53188
7. If you fax or email your slips, you need to hold onto all of the originals. You are expected to be able to provide the hardcopy to staff if requested at any time while you are in the program.
8. Obtain a sponsor or temporary sponsor in Phase 2 and contact them weekly throughout the entire program. You will not be promoted to Phase 3 until you have found a sponsor or temporary sponsor. Record your weekly contact with your sponsor on the Self-Help Group Attendance Slips.

## Drug Treatment Court Submission Policy

Any material that needs to be submitted to the Drug Treatment Court Team, will be due every Monday before midnight. The following are examples of what are due:

Sunday Breathalyzers

Holiday Breathalyzers

Self-Help Slips

Essays given during court sessions

Community Service hours

These materials can be submitted to the DTC team via email, fax, or in person at the WCS office.

**Case Manager emails:** [cremus@wiscs.org](mailto:cremus@wiscs.org), [jrosenstock@wiscs.org](mailto:jrosenstock@wiscs.org) and [rgroer@wiscs.org](mailto:rgroer@wiscs.org)

(Please email materials to **EVERY** case manager, not just one)

**Fax number: (262) 544-9456**

IF these materials are not submitted before midnight on any given Monday, it will be considered a violation in the program, and could result in a sanction.

## **JAIL VISITATION POLICY**

I \_\_\_\_\_ understand I should not be visiting any individual who is being held in custody for any reason unless I receive prior approval from the Drug Treatment Court Team. If I want to visit an individual, I must submit an Inmate Visitation Request Form to the Drug Treatment Court Team at least two weeks prior to the visit. I must request permission for each visit, even if it was approved prior. Failure to do so will result in a sanction and/or potential discharge from Drug Treatment Court.

## PROGRAM COMPLIANCE AND NONCOMPLIANCE

As with any Drug Treatment Court, a participant's progress is measured through his or her compliance with the treatment regimen. The ultimate goal of the Drug Treatment Court is complete abstinence from alcohol and illegal drug use. Drug Treatment Court rewards compliance and sanctions noncompliance.

Treatment providers, the Judge and other program staff maintain frequent, regular communication to provide timely reporting of progress and noncompliance, enabling the Court to respond immediately. Responses to compliance and noncompliance are explained verbally and provided in writing to the Drug Treatment Court participants at orientation. Periodic reminders are given throughout the treatment court process.

Individual treatment providers will establish their own policies and procedures as to when noncompliance reports will be submitted to the Court and other Drug Treatment Court team members. Treatment providers **must** provide timely notification and/or reports to the Drug Treatment Court Team.

Behaviors that **MUST** be reported as noncompliance include, but are not limited to: failure to attend self-help support groups, failure to attend relapse group, failure to provide a urine specimen and/or breath for testing, a positive drug screen and/or breath test, providing a diluted specimen, tampering with a SCRAM bracelet, absences that are not excused, failure to do required sanction, failure to report police contact, and failure to attend individual or group counseling sessions, new arrest, as well as Drug Treatment Court sessions.

A positive breath, urine or blood test for the presence of alcohol or drugs or a confirmed consumption on SCRAM will be considered a probable cause violation of the absolute sobriety requirement. A sanction for noncompliance will be imposed. A participant, however, may request a hearing to challenge the finding of non-compliance.

The Judge is the ultimate authority for sanctions and incentives concerning Drug Treatment Court participants.

# Sanction/ Discharge from the Program

## Rights and Procedures

### SANCTIONS

For those subject to a **sanction** only, the treatment team has alleged that you violated one or more of the program rules. Examples of violations are as follows: drug or alcohol use, providing false information to a member of the treatment court team, committing a new criminal act, drug or alcohol screen refusal, failing to attend treatment/court sessions, failing to submit self-help slips or to attend required meetings, etc.

As a result of the alleged violation, the team intends to impose a sanction. Potential sanctions can include restrictions on travel, jail time, community service, a writing assignment or other penalties as deemed appropriate by the team.

### DISCHARGE FROM THE PROGRAM

For those subject to **discharge** from the program, the treatment team has alleged that you violated one or more of the program rules **and** that this violation is so severe that you remaining a participant of the treatment court jeopardizes the legitimacy of the treatment court program and endangers the safety of the public.

If you are discharged from the program, you will be required to serve the balance of your sentence, whether that be conditional jail time if you are on probation or time imposed as part of a jail only. If you are on probation, you may also be subject to revocation of your supervision status as a result of your alleged violation(s).

### YOUR RIGHTS

You have the right to contest a sanction or discharge from the court and to have a due process hearing. At the due process hearing, you have the right to present evidence and to call witnesses to testify on your behalf regarding the alleged violation. At the hearing, you also have the right to have an attorney represent you. The treatment court team will provide you with a reasonable adjournment of the hearing for you to seek counsel. If you are unable to afford private counsel, you may be eligible for an appointed attorney either through the State Public Defender or court appointment. Please do not wait to seek representation.

If you are in custody and would like to meet with the State Public Defender, immediate fill out an Inmate Communication Form requesting to be seen for an evaluation, indicating the date of your next hearing. If you are out of custody prior to your hearing, please come in person for an evaluation at the Waukesha Office of the State Public Defender, located at 407 Pilot Court, Suite 500, Waukesha, WI. Evaluations are done on a first come, first serve basis Monday through Friday from 1:00 p.m. to 4:00 p.m. If you have questions about the evaluation process, please call (262) 521-5173.

If you do not qualify for representation through the State Public Defender and cannot afford to hire an attorney, the county may be able to appoint counsel for you. The court will not consider appointing an attorney to assist you until you are deemed ineligible for the services of the State Public Defender. To seek representation from a court appointed attorney, please fill out the attached "Petition for Appointment of An Attorney, Affidavit of Indigency and Order" and submit it to the court.

# Incentives

## Incentives which **MAY** be used to reward compliance:

- Encouragement and praise from the Drug Court Judge and Staffing Team
- Promotion to the next phase
- Certificates of completion
- Encouragement and praise from the team
- Case called early during court sessions (Early Bird)
- Longer time between court appearances
- Reduced meetings with case manager
- Gift Cards (restaurants, grocery stores, etc.)
- Using imposed and stayed sanctions when appropriate, at the discretion of the Drug Court Judge, in order to recognize a participant's overall positive performance
- VIP Box

# Sanctions/Therapeutic Interventions

## Sanctions/Therapeutic Interventions which **MAY** be used:

- Warnings and admonishment by the Drug Court Judge in open court
- Time in jail with or without Huber
- Start current phase over or extend time spent in a current phase
- Phase demotion
- Increase frequency of court appearances and/or home/office visits
- Increase frequency of breath tests and/or urinalysis
- Increase intensity of treatment and/or re-enroll in treatment
- Increase self-help support meetings
- Community service hours
- Writing assignments
- Electronic Monitoring System/SCRAM
- Individually tailored sanctions

## When sanctions **MAY** be imposed:

- Driving without a valid license
- Using alcohol or other controlled substance
- Missing urinalysis, providing a diluted specimen, and/or providing a fraudulent specimen
- Missing and/or being tardy for case management, court, or treatment appointments
- Missing and/or being tardy for testing when required
- Behavior inconsistent with a commitment to meeting Drug Treatment Court goals
- New arrests for any kind of offense

The following may result in *termination* from the program:

- Committing a violent crime, or the DTC becoming aware of behavior that is violent or threatening to the safety of others as defined by the standards of the Bureau of Justice Assistance (BJA)
- Co-occurring disordered individuals whose mental illness is so severe to prevent active and full participation in the DTC program
- A demonstrated lack of capacity or willingness to engage in treatment or comply with program requirements
- Continuing criminal activity while under the supervision of the DTC
- Acts of violence while under the supervision of the DTC, which includes any violence, or threats of violence, in the participant's home, place of work, or at treatment centers/programs

# Participant Contract

1. I fully agree to participate in the Waukesha County Drug Treatment Court Program.
2. I agree to participate in all phases of the program as recommended by my case manager.
3. I understand that if I am referred to a treatment group, I will be involved in the group discussions and agree to actively participate.
4. I agree to abide by the Deferred Prosecution Agreement and all directives and decisions given by the Judge and the staff.
5. I understand that no violence or threats of violence or inappropriate conduct is allowed at Wisconsin Community Services and that legal prosecution will result from such actions.
6. I understand that all program participation information will be shared with the Drug Treatment Court Team, District Attorney, Defense Attorney, Treatment Providers and Department of Correction Agent if currently on probation.
7. I understand that I must stay current with all of my financial obligations, *including but not limited to*: any applicable SCRAM or drug testing fees, and other financial obligations related to involvement in the Drug Treatment Court.
8. As a condition of the program, WCS will be verifying all prescription medication. I hereby agree to bring my prescription medication in when asked. Your WCS Case Manager will ask to inspect the content of the prescription container. Should you refuse to comply you may be ineligible for continued program participation.

## Search and Urinalysis Policy

I hereby give permission to Wisconsin Community Service staff to search my personal belongings while I am on WCS property, if I am suspected of carrying contraband. I hereby waive any constitutional objection to any such search and claim for invasion of privacy in connection with such searches.

I understand that as a participant in the Waukesha County Drug Treatment Court Program, I will be required to provide breath and urine specimens for analysis and that all positive results will be reported to all involved parties, i.e. Drug Treatment Court Judge, District Attorney, Defense Attorney, treatment providers and Department of Corrections Agent, if currently on probation.

CLIENT RIGHTS STATEMENT

As a client in the Waukesha County Drug Treatment Court program through Wisconsin Community Services, Inc., you have certain rights.

First, you need to know that a qualified provider may consult with other experts on treatment issues. You are encouraged to discuss your progress in this program at any time with your provider. Unless you are court ordered or are here as a condition of your probation/parole, you may end treatment at any time.

You are entitled to receive information about the methods and approaches of the program you are enrolling in. You will be an active participant in the development of your treatment service plan. You may also seek consultation from another expert regarding the appropriateness of this program for you.

You need to know that the information you give us during your treatment is legally confidential except as required by law. This confidentiality is regulated by state law, and for individuals in substance abuse programs, also by federal law. Information about your treatment and your case can only be released upon your written request/consent. It may be that you have been ordered to attend this program or that attendance is a condition that a progress report must be sent to your agent. If this is the case, and if there is a condition that a progress report must be sent to your probation/parole agent, then you must sign a written consent for such information to be released. Your provider will provide this consent form for you.

There are exceptions to the law of confidentiality. These exceptions are as follows: if there is a "threat of harm" to self or others; the person is of imminent danger to self or others; there is suspicion of child abuse; or if an individual is considered to be gravely mentally disabled. In these cases a provider, by professional ethics and state statutes, is obligated to protect the individual or others. In any situation, they must be reported to the Department of Social Services in the county where the abuse is suspected.

You need to know that sexual contact between a client provider is not a part of any recognized therapy or rehabilitative process and is never seen as acceptable under any circumstance or condition. Sexual intimacy between client and provider is illegal and should be reported to the appropriate grievance or professional licensing authority.

---

I have been informed of my provider's professional credentials, training and experience. I have also read the above information and understand my rights as a client.

---

## GRIEVANCE PROCEDURE

When a participant has a complaint, or feels his rights are being violated, he may initiate the following grievance procedure:

### **Step One – Informal Discussion**

The complaint procedure may start with the participant's request of their assigned case manager for an informal discussion between the parties involved. This request must be made within 30 days of the incident or problem causing the grievance.

### **Step Two – Complaint Investigation and First Decision:**

If no resolution is obtained through Step One, within 45 days of the incident, the person making the complaint should fill out a written complaint form and send it to the coordinator. The coordinator will study the complaint, make an investigation, and report the findings to the WCS Program Director. The program director will make a formal written decision within seven days and send it to the client.

### **Step Three – Hearing and Administrative Decision:**

Within 15 days of Step Two decision, the complainant may request that the complaint be forwarded to the County Criminal Justice Collaborating Council Chair (CJCC). The CJCC Chair or their appointed designee will hold a hearing within 15 days.

### **Step Four – Final Hearing and Decision:**

An impartial decision maker will be appointed by the CJCC Chair to hear and make a decision for grievances in the final stage. The impartial decision maker will not have participated in making or reviewing the initial appeal and may be an individual, a board, or a commission.

The Final Stage Hearing shall be available only after exhaustion of remedies available in Steps One and Two.

The request for a final determination shall be made within 15 days after a Step Three decision. Within 20 days of conducting a hearing under Step Three, the decision maker shall mail or deliver to the client a written determination, stating the reasons for the findings.

The participant may, at any time, choose to use the Court instead, in which case the grievance procedure will end.

Revised 8/13/19
